The Member Lines of the Florida-Caribbean Cruise Association (FCCA) are pleased to welcome you to the 11th Annual FCCA Foundation for the Caribbean Gala Dinner Extravaganza.

Beautiful crystal clear seas and lush tropical settings are what make the Caribbean, Mexico and Central/South America such popular vacation choices, but it is the warmth and spirit of its people that endears these Regions to our hearts.

Tonight we reaffirm our pledge to continue to take a pro-active stance on issues that affect our destination partners. Through the years, the strong cooperative relationships between the cruise industry and our destination partners have been fostered by events like tonight's Gala – and the Gala's success is due to your participation. We would like to express our warmest gratitude to you, our friends, for your continued support.

We would like to give our special thanks to the Port of Miami and the Greater Miami Convention & Visitors Bureau for making this wonderful evening possible.

Remember that 100% of the proceeds from tonight's Gala will benefit the FCCA Foundation for the Caribbean. Again, on behalf of the many organizations that depend on the Foundation for assistance, thank you!

Have a wonderful evening; we look forward to seeing you again next year.

- The Miami Beach Convention & Visitors Bureau Bill Talbert, President & CEO

Two definitions of a great cruise destination:

1. Cruising in The Grenadines. 2. Going ashore in St. Vincent.

he Port Kingstown Terminal in St. Vincent opened in 2000 and has already gained considerable prestige and received a major surge of cruise visitors attracted by stunning St. Vincent & The Grenadines. The terminal itself is another good reason for passengers to enjoy their trip to St. Vincent. It includes a tourist information office, 13 attractive shops, a cafe, mail, telephone and ATM facilities.

The terminal is managed jointly by the St. Vincent & The Grenadines Port Authority and the private sector and consists of two berths. The larger currently accommodates cruise ships up to 260 meters long and 70,000 tons, although the water depth is generous enough to allow vessels of up to 100,000 tons to dock, enabling the largest cruise ships in the Caribbean to utilize Port Kingstown. Smaller vessels can berth at the other terminal, which accommodates vessels up to 100 meters in length and 4,500 tons.

We look forward to welcoming you.

For more information, call us today at 1-800-729-1726 or visit www.svgtourism.com

St. Vincent The Grenadines

The Port of Miami and the Greater Miami Convention & Visitors Bureau play an active role in taking cruise passenger expectations to the highest levels. Together we have partnered to create a "Cruise Miami" program with the goal of promoting Miami as the Homeport-of-Call as well as the premier destination offering pre- and post-cruise activities.

Come sample the flavor of Miami... magnificent beaches, fine restaurants, world-class shopping, attractions and historical museums... the choices are endless!

Cruise

Menu

Appetizer

Bread and Butter Caprese Salad – layers of tomato and buffalo mozzarella and basil

In its twelve years of existence, the FCCA Foundation for the Caribbean has provided added support to what has always been, and continues to be, one of the FCCA's primary roles – its relationships with its Caribbean destination partners.

As we reflect on the Foundation's efforts over the past twelve years, from hurricane relief to scholarship grants to holiday gifts to the Caribbean Special Olympics... it is very evident that the Foundation is a vehicle for crisis management and for furthering the efforts of worthy causes and organizations throughout the Caribbean, Mexico, Central and South American Regions.

These are just a few of the lives the FCCA Foundation has touched:

Laura Puron of Tropical Tours in Mazatlan, Mexico expresses her heartfelt thanks for the FCCA Holiday Gift Project, "The event was an unforgettable experience. The children were from 6 different institutions that really needed help. Santa Claus and the *Carnival Pride* crew were wonderful. The day was filled with smiles, dreams, tears of happiness and beautiful emotions that will be forever in our hearts. Thank you to everyone that made this dream come true on behalf of the Mazatlan community and 200 beautiful children, all with big smiles."

Foundation grant recipient, Gail L. Woon of EARTHCARE in Freeport, Grand Bahamas Island wrote, "In December, 2004 the FCCA Foundation for the Caribbean bestowed upon EARTHCARE another generous grant... It came at a critical period for EARTHCARE because we were faced with having to replace a lot of our printed and video materials that were destroyed during the past hurricane season. Thanks FCCA!!!"

"We were very grateful when we heard that we would get 16 pallets of goods and were overwhelmed with gratitude when the total was over 110 pallets. It was such a welcome sight to see a cruise ship pull into our harbor once again." Stated Bryon Kelly, Director of Operations of the Tour Company, Cayman Islands, regarding the FCCA's hurricane relief efforts.

"The Government and people of Jamaica express heartfelt thanks to the Florida-Caribbean Cruise Association and its Member Lines for the swift, meaningful assistance provided to our country after Hurricane Ivan. Indeed, the FCCA has proven to be more than a partner in tourism but also a cherished friend of the Caribbean." Conveyed Aloun Ndombet-Assamba, Minister of Industry and Tourism, Jamaica.

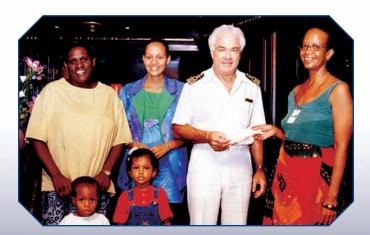

"People look at me and think of all the things I cannot do, the Caribbean Special Olympics gives me the chance to show people all the things that I CAN DO. Thank you FCCA." Terrence Dublin, Caribbean Special Olympian.

In its twelve years of existence, with the support of organizations like yours, the FCCA Foundation for the Caribbean has impacted the lives of thousands of Caribbean citizens by providing over \$2 million in funding to worthy causes and charities throughout the Caribbean Region. **Thanks for your help!**

FCCA's Holida

The 2004 FCCA Holiday Gift Project was a much-needed ray of sunshine that beamed with holiday cheer throughout the Caribbean. Over 5,000 under-privileged children in 26 destinations in the Caribbean, Mexico, South and Central America, were able to experience the true spirit of the holidays. This particular event was especially meaningful as children in the destinations that had been hit by hurricanes were overwhelmed by the gesture and joyfully displayed their appreciation.

The FCCA, our Member Lines and the participating destinations orchestrated this year's Holiday Gift Project. The days were filled with excitement and anticipation as the children awaited the arrival of Santa Claus. In most areas of the world Santa arrives by sled, led by his eight tiny reindeer, but in the Caribbean, Mexico, South and Central America, Santa arrived by cruise ship, led by 'eight' enthusiastic crewmembers! Mickey Mouse and his friends from Disney Cruise Line also joined the festivities in a couple of destinations, amplifying the excitement of the children even more. Children ranging from infants to teens were given holiday gifts selected specifically for their age group. Recipients of the

y Gift Project

holiday gifts include children from orphanages, homeless shelters, foster homes, and special schools for children with physical and mental disabilities.

In its 12th year, the FCCA Foundation for the Caribbean continues to improve the lives of Caribbean citizens. The Foundation has impacted the lives of thousands of individuals by providing over \$2 million in funding to countless organizations and causes.

Lori Schick, Training & Development Manager for Celebrity Cruises' *Millennium* shares her experience, "On behalf of the *Millennium*, we would like to thank the FCCA for allowing us to be part of such a wonderful project. On a daily basis we are surrounded with the luxuries of a cruise ship, and can easily forget that there is a world beyond the piers we visit. At times, we take so much for granted, but thankfully we were brought back to reality by the realization that there are so many children out there that need our help. While we brought gifts to the children, the truth is that they provided us with even better presents, which was to see their smiles and to hear them laugh and to know that maybe we helped make their Christmas special. Again, thank you for that and we look forward to working with the FCCA again next year."

Kisa Harris of the U.S.V.I. Department of Tourism expresses her gratitude for the event, "The Holiday Gift Project was a huge success. The children had a wonderful time with Santa and the crew of the *MSC Opera*. I am hoping St. Croix will be included in this program again next year."

Emma Bolio of the Yucatan Tourism Board was delighted to take part, "The children were all very excited expecting Santa's arrival. He was great, he told them to study hard and stay in school and be good to their parents. The children sang and danced with the crewmembers and cartoon characters. All of us here at the Yucatan Tourism Board look forward to participating next year in this wonderful project."

In its ninth year, this annual event was another triumph for the FCCA Foundation for the Caribbean, the FCCA Member Lines and all participating destinations. Each year this project expands in support and involvement, we look forward to bringing more and more smiles to deserving children again next holiday season.

Environmental <u>Poster Competition</u>

Recognizing that children are indeed our future, the FCCA Foundation for the Caribbean has implemented a number of programs directly geared at assisting in the overall well-being and development of children in the Caribbean. With this in mind, in 1997 the Foundation sponsored their firstever children's environmental poster competition aimed at stimulating environmental awareness.

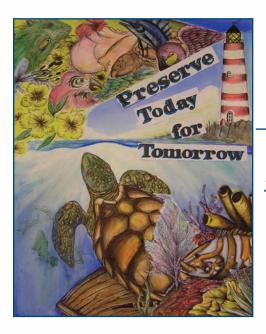

For the 2005 Poster Competition, students were invited to submit a poster and select a topic of their choice that promotes environmental awareness. The competition was judged in two age categories; a junior division for students 12 and under and a senior division for students ages 13-16. This year entries were received from Mexico and 18 Caribbean nations.

Top prizes in the competition were awarded to 10-year old Ifeanyichukwu Otuonye of the Turks & Caicos and 16-year old Julius Tinker of the Bahamas. Ifeanyichukwu and Julius will each receive an educational scholarship of US \$2,500.

In the 12 and under age category, Renaldo Craigwell, age 11 from Barbados, won second place and 9-year old K-Resha Browne from St. Kitts emerged as the third place winner. Second place in the 13 - 16 age category went to 15-year old Attainea Toulon from Dominica with Saint-Martin Amandirie, age 15 from Haiti, placing third. The second place winners in the two age categories will each receive US \$1,500 and the third place winners will take home US \$1,000 each.

To reward students for their efforts, all finalists (except first, second and third place winners in each category) submitted by their countries will receive US \$200.00. Art supplies will also be donated to the schools of the first, second & third place winners.

Environmental Poster Winners

Bahamas Senior (13 to 16) Julius Tinker ~ 16 Years Old

Turks & Caicos Islands Junior (12 & Under) Ifeanyichukwu Otuonye ~ 10 Years Old

Port Canaveral, A Partner For Success

Marketing Our Niche

Since Port Canaveral is located just 50 miles from Orlando—home to the most popular attractions in the world, with more than 46 million tourists annually—we focus our cruise marketing message on the ultimate Florida vacation experience—combining a trip to Orlando and Florida's Space Coast with a cruise out of Port Canaveral. And because Orlando is a name recognized worldwide, we refer to the Port as Orlando's Fun Port. Our very successful advertising campaign 'One Trip Two Vacations, Twice the Fun,'' targeted at both travel professionals and consumers, is in its sixth year. The campaign also promotes Orlando's Fun Port as closer to the drive market for 3-, 4-, 7-day or longer cruises.

Regional Partnerships Help Fill Staterooms

We partner with regional tourism and planning organizations to leverage our marketing efforts. Our combined resources help us reach travel professionals and the cruising public with a frequent and consistent message that helps fill staterooms.

Electronic Signage Provides Guests Quick and Easy Access

We believe your guests should have the best cruise experience possible and that's why we've designed a state of the art, electronic signage system to make it easy for your arriving passengers to find our terminals.

Plenty of Secure Parking

Port Canaveral has a six level parking garage that can accommodate 1,200 vehicles. This is the first garage of its kind to feature eight 100-foot panels of hand painted artwork featuring marine life on Florida's Space Coast. The garage has already been acclaimed as Brevard County's largest public arts project.

Fully-Dedicated, Island-Themed Terminals

Once inside our custom-designed terminals, your guests will experience a pleasant, island atmosphere with tropical foliage, cascading waterfalls and a panoramic ocean view

of your ship. Our intention is to help your guests shift into a cruising mood even before they cross the gangway to your cruiseliner.

Port Canaveral is proud to be the homeport and port of call of the leading cruise lines and welcomes the opportunity to discuss how we may be able to be a **"Partner for Success."** For additional information contact Bobby Giangriscetomi, Vice President of Business Development.
